# Lex Andrei M. Barcelona

Pitogo, Quezon, Philippines | barcelonalexandrei@gmail.com

## PROFESSIONAL SUMMARY

Information Systems graduate with hands-on experience in IT support, network connectivity, PC diagnostics, and infrastructure maintenance. Seeking an IT Support or Network Support role, bringing practical troubleshooting skills, careful documentation, and experience supporting staff across office and field environments.

## WORK EXPERIENCE

Local Government Unit – Municipality of Pitogo | Pitogo, Quezon GAD Secretariat (MSWDO) | November 2025 – Present

Coordinate Gender and Development (GAD) planning and project development for the Municipal Social Welfare and Development Office (MSWDO), ensuring strict alignment with municipal objectives.

Execute critical administrative duties under intense pressure, consistently delivering clean, precise, and accurate outputs ahead of stringent deadlines.

Streamline document preparation and project coordination, demonstrating exceptional time management, adaptability, and resilience in a fast-paced environment.

Quezon 1 Electric Cooperative, Inc. | Pitogo, Quezon IT Infrastructure and Network Support Associate | February 2025 – June 2025

Provided day-to-day technical support for staff, resolving printer connection errors, driver issues, PC network disconnections, and complex hardware/software troubleshooting.

Installed, configured, and repaired desktop units, ensuring end-users maintained optimal software and system setups for daily operations.

Deployed new PCs, replaced damaged network cables, and restored connectivity at satellite offices to enhance productivity in remote branches.

Upgraded network infrastructure, including UTP cable crimping (RJ45), fiber optic splicing, media converter/switch setup, and LAN stability assurance.

Assessed and documented all system units across the organization to maintain a precise and accurate technology inventory.

Facilitated POS Training and Binding Program for 1,000 beneficiaries of the Solar Power initiative, supporting digital readiness for government-backed programs.

Local Government Unit – Municipality of Pitogo | Pitogo, Quezon Special Program for Employment of Students (SPES) | July 2022 – August 2024

Encoded and managed data using Microsoft Excel to maintain accurate, well-organized financial and administrative records.

Sorted and filed Disbursement Vouchers (DVs) and reviewed documents for accuracy in compliance with LGU protocols, supporting efficient audit readiness.

Assisted in the preparation of Summary of Obligation Requests (SORs) to ensure compliant financial reporting.

Segregated original records and file copies to streamline archiving processes, developing strong attention to detail in a fast-paced government finance environment.

## TECHNICAL SKILLS

Networking & Infrastructure: Basic LAN configuration, media converter and switch setup, network cable crimping (UTP with RJ45), fiber optic cable splicing.
